SUBJECT: Executive Seminar, 1-5 June 1987

1. We want to express our appreciation for the contribution you made to the Executive Seminar on Friday, 5 June. The information about a significant, current problem that impacts on everyone in the Agency was extremely valuable to the participants. Your participation also signals top management commitment to this developmental program for recently appointed senior intelligence officers.

2. Thanks too, for the help your office provided on a case study we now use as part of the assessment package in the program. The use of real and timely materials in our exercises has made a tremendous difference in that part of the program.

3. We hope we can count on future support from you and your office.
